

The Jacey Practice and Dickens Heath Medical Centre

As from the 1st October 2018 our Saturday morning service is relocating to Blossomfield Surgery. There will also be a Sunday morning session and appointments in the evening until 8pm. This is due to the national initiative requiring practices to provide a 7 day service.

We have joined together with several other practices to provide this from a central location. Routine appointments will be bookable by telephoning or visiting the surgery in the normal way.

Unfortunately due to consent requirements regarding data sharing, online booking will not be available for the foreseeable future.

Thank you for the support of our Saturday sessions at Dickens Heath in the past.
